

OUR VISIONARY

Today we cross continents at the speed of sound and ideas move around the globe at the speed of thought. The time between idea and practical application shrinks daily. If you are prepared you will reap the rewards.

Asian Institute of Management & Technology (AIMT) will equip you with the skills, knowledge and perspectives required for outstanding performance in the global market. We will prepare you for practice as a professional engineer/manager. You will acquire competence in the functional and technical areas of business and you will gain a competitive edge.

We attempt to synergize what is best in India with the best of the world on an on-going basis through intertwining and networking. Spirit of innovation, achievement and intellectual adventure emerge where best faculty and dynamic group of students work together with commitment towards global excellence. Let it be my privilege to welcome you again to the world of AIMT.

C. B. BANSAL
CHAIRMAN

MESSAGE FROM DIRECTOR

The Asian Institute of Management & Technology (AIMT) has made rapid strides in its three years of existence, making a name for itself for academic excellence, research, contributions, executive development and industry interface. Our vision is to emerge as one of the leading technical & management institutes nationally as well as internationally.

In recent times, AIMT has taken some bold steps in its pursuit of excellence. Some of the specific steps taken include recruitment of highly qualified and well known faculty, restructuring the course curricula, offering new and contemporary elective courses, introducing on-line learning and teaching, modernizing IT infrastructure, state-of-the-art laboratories and library and extending international linkages.

I extend a hearty invitation to you to visit the campus and interact with our faculty members and students to know more about the institute, our activities and the ambience.

Dr. S. K. Kaura
Director-Principal

DEAN'S MESSAGE

We at AIMT firmly believe that in the present day, producing qualified engineers is just not enough.

The students must be endowed with additional skills to meet the ever changing needs of the industry. Campus of Asian institute, a place where knowledge fuels the desire for distinction, has always pioneered in serving the changing needs of the industries.

Our aim is to actively assist industry in attracting and identifying the individuals best suited to their needs and in developing a win-win relationship between organizations, students and the institute. In the coming years, all our energies will be focused on making it a top-notch Engineering Institute.

Dr. Amrik Singh
Dean

QUALITY POLICY

“To impart world class quality education with a focus on all round development of the students into individuals capable of discharging their duties as world class professional, responsible citizens of the nation and to create awareness for clean eco-friendly environment.”

AN ISO 9001:2008 CERTIFIED INSTITUTION

TRAINING AND PLACEMENT

Career services play a pivotal role in taking good education to higher places; we make sincere efforts and take sincere responsibility by providing the right opportunities, counseling and additional skill enhancement support to all successful students. AIMT leverages its wide network to place students globally. At, AIMT, we find it easy to place our students in the top companies due to our faculty, teaching module, in fact most of our students get career opportunities even before they complete their respective programs.

- 06 students got placed in ADMARK Pvt. Ltd. Bangalore.
- 10 students got placed in Global Ashiana Pvt. Ltd. (Greater Noida).
- 04 students got placed in Apollo International, Ludhiana.
- 04 students of AIMT got selected by HDFC Bank.

Under the expert guidance of Er. M.P.Mittal, Director General (AIMT), the cell is in the process of establishing tie-ups with different industries. Names of a few such companies are as:

INSTITUTE INDUSTRY INTERACTIONS

The Institute maintains a close interaction with leading corporate and industry professionals, involving them in various activities through seminars, guest lectures, projects, consulting etc.

SCHOLARSHIPS

We ensure that bright and deserving students get the perfect platform to reach higher. There is a provision for various types of scholarships for the bright and deserving students. OM EDUCATIONAL scholarships have been already given to deserving candidates.

1.	Amit Kumar	ECE	45,000/-
2.	Gulshan Kumar	ME	50,700/-
3.	Sandeep Kumar	MBA	45,000/-
4.	Avnish Kumar	CSE	40,000/-
5.	Vijay Kumar	ME	51,500/-
6.	Ravish Kumar	ECE	50,700/-

BOOK BANK SCHEMES

The institute is providing a Book Bank Scheme for the students, where by paying a nominal fee, the student is able to get a large number of books for the whole semester. At the end of the semester the students return the books and are given the next semester books.

SPORTS

Physical fitness is essential for mental alertness and also as a diversion from serious academic routine. The college provides excellent Cricket, Basketball and Football grounds, indoor sports and Gym facilities. Students are encouraged to participate in inter college competitions and try for their selection in the University Teams.

HOSTEL

AIMT provide comfortable Air cooled hostel accommodation for boys and girls in the campus. The hostel has special amenities like sports room, 24 hrs internet, solar water heating, entertainment room, drinking water treatment plant, generators for power backup and security arrangements.

The students get wholesome & nourishing fresh food and excellent environment for their studies.

THE KNOWLEDGE CENTRE

The Library Information and Learning Resources play a crucial role in supporting teaching and learning activities. Our centralized Library is spread in an area of 6500 sq.ft reflects the teaching and learning commitments of the Institute. It has already built up a very good collection of books and periodicals. The effort is to collect all reference materials in digital format. The important and current journals are also available in print format. In addition, there are multimedia workstations and a collection of interactive CDs. To enable students to benefit from the technology, both formal and information instruction is provided.

HI-TECH INFRASTRUCTURE

Equipped with state of art computers with internet facility, locally networked and connected to the central server are available for students for their project work, and preparing for seminar presentations. It also provides access to e-books, study materials, previous question papers, teaching schedules, internal marks, attendance, daily circulars, etc. through the college Local Area Network. The internet facility with 2 Mbps connection is available to students 24x7.

CAFETERIA

The cafeteria provides delicious and hygienic Indian and Continental food at subsidized rates. Apart from providing tasty food, the cafeteria offers students a perfect ambience to relax and enjoy.

LEADERSHIP IS ACTION, NOT POSITION

AIMT trains its students to be managers, not just in semantic knowledge, but leaders who make a difference with innovative approach and deep insights. Here, the students evolve as winners in life with our unique teaching methodology, self-learning, personality development and other exciting activities.

Students activities play an important role and our students make a big impact and win laurels in co-curricular activities.
